Student/Employee ID (Student/Alumni/Incubated Startup)/Employee ID (Faculty/Staff) Copy (JPG, PNG max 2 MB)

11.JPG Browse

Step 2 Select "**Tamil Nadu**" in the State dropdown menu

Step 3
Select "**IC201810345-BIT** " in the Institute dropdown menu

Step 4 Fill in "**Name , Email ID, Mobile Number, Gender & Category**" in the appropriate fields

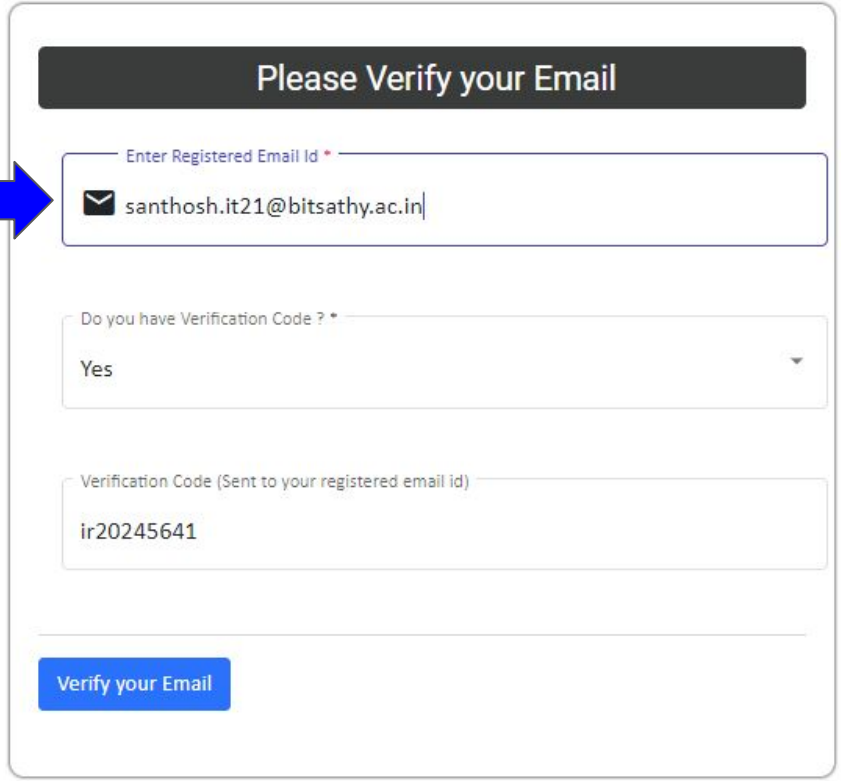
Step 5 Select "**Student**" in the Current engagement with the institute

Step 6 Fill in "**Registration number & Upload Student ID soft copy**" in the appropriate fields & Click "**Register**"

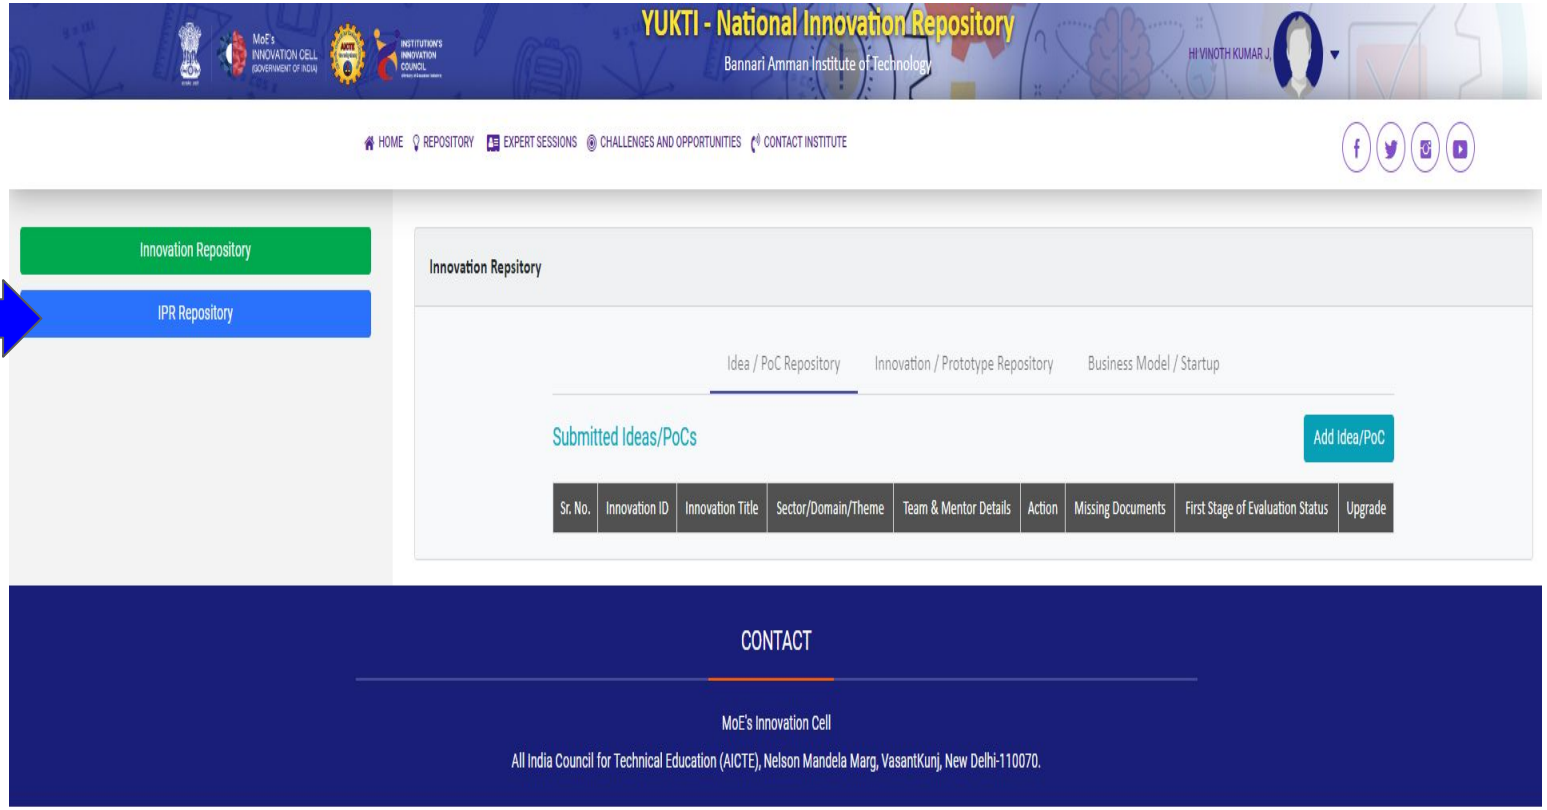
Enter the verification code received in email

Step 7

Fill in "**Registered Email ID & Verification Code**" in the appropriate fields & Click "**Verify your Email**"



Step 8
Click on "**IPR Repository**" tab



Step 9
Switch to “**Patent**” tab

Add Patent

Sr. No.	Patent Type	Patent Application Number	Patent Status	Type	Email	Contact	Co Inventor Details	Applicant Details	Invention is an Output of	Experience in dealing with IP Commercialisation	Action

Step 10
Click on “Add **Patent**” tab

Step 11
Select patent type "**Utility/Design**"

Step 12
Fill in "**Patent Application No.**"

Patent Type :
Utility

Patent Application No * :
Patent Application No.
202341058742

Step 14
Fill in "**Patent Application Date**"

Patent Status * :
Patent Status :
Filed

Step 13
Select appropriate in Patent Status drop box

Step 15
Upload "**Patent Application Receipt**"

Patent Application Date * :
10/6/2023

Upload Application Receipt Copy
MC1627-FPF-11.10.2023.pdf

Step 16 Fill in the "**Patent title**" Select "**Patent application type**"

Title/Name* :
Title / Name (20 Words Max)
SMART MATERIAL HANDLING CONVEYOR

Patent Application Type* :
Ordinary/Non-provisional

Step 17 Fill in the "**Name of Principal Inventor**" Select "**Type of Principal Inventor**"

Name of Principal Inventor* :
Name of Principal Inventor
SANTHOSH A M

Type of Principal Inventor* :
Student

Step 18 Fill in the "**Email of Principal Inventor**" & " **Contact of Principal Inventor**"

Email of Principal Inventor* :
Email of Principal Inventor
santhosh.it21@bitsathy.ac.in

Contact of Principal Inventor* :
Contact of Principal Inventor
9556565656

Name of the Co-Inventor	Type of the Co-Inventor	Email of the Co-Inventor	Contact of the Co-Inventor	

Add Applicant/Patentee Details Add More

Name of Applicant/Patentee	Type of Applicant/Patentee	Action
Applicant/Patentee Name	Type of Applicant/Patentee	

Step 19 Add Co-inventors Details and Applicant/Patentee Details

Step 20
Fill in the "**Abstract of Invention**"

Abstract of Invention* :

Abstract of the Invention.(200 words) *

Additionally, the conveyor is equipped with predictive maintenance capabilities, allowing for timely interventions and reducing downtime. Its modular design enables easy scalability and integration with existing production lines, making it suitable for a variety of applications across different industries.

This smart conveyor system not only streamlines material handling processes but also contributes to sustainable practices by optimizing energy consumption and reducing wa

Total Number of words: 150 / 200

Step 21
Select on "**Institution's own research**" in Invention output field

Invention is an Output of * :

Institution's Own research

Current TRL Stage of the Invention as on 31st Aug. 2023 * :

TRL 1 : Basic research. Principles postulated observed but no experime...

Step 22
Select on appropriate TRL category in Current TRL field

Step 23
Select on appropriate field category in other fields

Industry Sector of Focus * :

Industry Sector of Focus

Do you have any previous experience in dealing with IP Commercialisation

No

Current Satge of Commercialisation (as on 31st Aug. 2023) * :

Inactive

Have you attempted to commercialise this invention * :

No

What is your preferred mode of commercialisation of this invention * :

Licensing to Industry

Select your service requirements and supports to make this invention commercialisation ready * :

Training on IP Commercialissation

Step 24
Click on "**Submit**"

Go to PC settings to activate

Submit
